Abstract – Abstract of about 200 words and should be typed written using Times New Roman, Font size 12, bold and italic, single line spacing.

Keywords – Please provide not more than 5 keywords and should be typed written using Times New Roman, Font size 12, bold and italic.

I. INTRODUCTION

This document contains the guidelines for preparation and submission of Paper for ICETER2020. Please adhere strictly to these instructions to assure rapid production of high quality conference proceedings.

II. PAPER FORMAT

The paper should be typed written in Microsoft Word, including tables and figures and it must not exceed 2 pages. The text shall be typed within a print area with margins of approximately similar with this Paper format and guidelines from top, bottom, right and left sides of the paper. Therefore, it is advisable to prepare the paper using the present template. No page number should appear on the paper. The body of the paper should be typed set in single-column using the single space format. The title should be centred across the page with the first letter of each word in capital letter. It should be typed in bold face using 14-point Times New Roman Font.

The Paper should include names and addresses of all authors. The authors name should be typed using Times New Roman, font size 12. The affiliation and mailing address of each author should be typed using font size 10. The phone number, fax number and e-mail address of the corresponding author should be included. The rest of the text should be typed written in Times New Roman, font size 12 and formatted to include the following headings: Introduction, Methodology, Expected Results and References. The section headings should be in font size 12, capital letter, bold faced, centred across the column and numbered consecutively.

A. Subsection Headings, Tables and Figures

The subsection headings should be typed written in font size 12, italic face with title case and numbered consecutively as A, B, C, etc. The figures and tables should be numbered consecutively and inserted within the text. Both tables and figures should be centred across the page. Example of table presentation is shown in Table 1.

Table 1. Important Dates

Last Date for Paper Submission	24 th March, 2020
Notification of Acceptance	26 th March, 2020
Registration Commencing	26 th March, 2020
Camera Ready Paper Submission	2 nd April, 2020
Registration Deadline	10 th April, 2020
Release of Conference Schedule	14 th April, 2020
Conference Dates	17 th & 18 th April, 2020

The figure captions should be placed below the illustrations, whereas the table captions should be placed above the content of presentation. Both captions should be typed written in Times New Roman, font size 12. Example of figure illustration is shown in Figure 1.

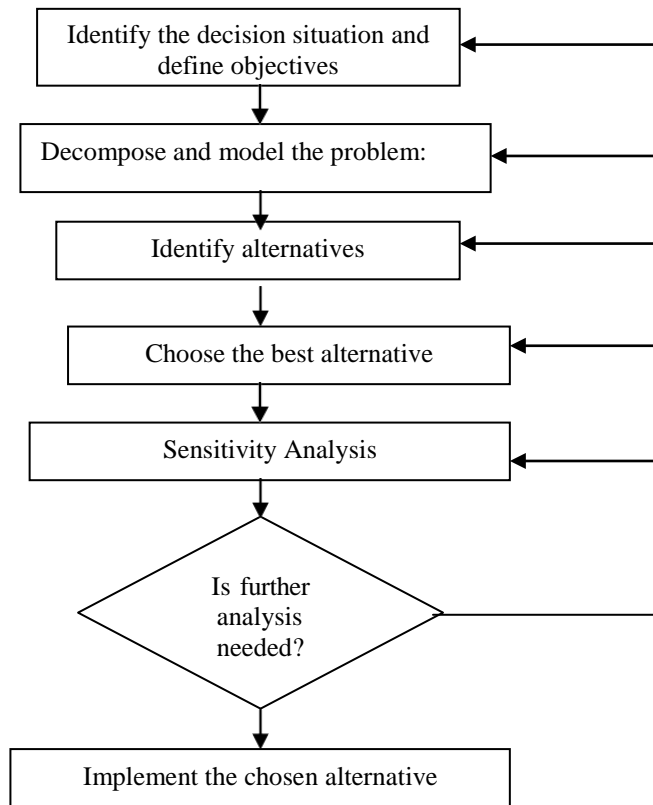

Fig. 1. Decision analysis Process.

B. Photographs, Figures, and Equations

All photographs and figures should have a good contrast quality and are black and white glossy prints. All equations should be centred across the column, numbered consecutively with the respective number given in parentheses as follows:

$$E = mc^2 \quad (1)$$

The references should be numbered and cited in text using square bracket in the following manner [1], [2-5] etc. A list of references should be provided under the section of references. All the references should be listed by number under the section of REFERENCES.

III PAPER SUBMISSION

The Paper should be in MS Word format. The submitted Paper will be reviewed and responded appropriately based on the approval from the panel of reviewers. All related information is available at: www.velsuniv.ac.in/iceter2020

IV. EXPECTED RESULTS

Please provide your expected result and analysis of the result to be reviewed by the reviewer.

V. SUMMARY

The content of the Paper should maintain its consistency with the content of the full paper. The Paper should cover Introduction, Methodology, Expected Results and References. Thank you for your participation. We look forward to receiving your papers.
