ABOUT IPC 2020

The IPC is “one of its kind” event, virtually presented from 13th – 20th December 2020, with the theme of “Recent Advancement & Research in Physiotherapy”. At IPC, 18 Indian and 8 international speakers will present their knowledge about recent advancements and research in different specialities of Physiotherapy. IPC aims to bring participants from all over India and Abroad together, and this grand online event will be typically attended by the Final Year Undergraduate, Post graduate students, Ph.D scholars, Academicians and Professionals.

The prime focus of IPC is to articulate comprehensive knowledge on latest advancements and innovations in physiotherapy from across the globe.

IPC is the brain child of **KIP (Kamath Institute Of Physiotherapy)** Education & Research, an educational arm of “Sheela Physiocare” a Chennai Based Multispecialty Physiotherapy Clinic in Collaboration with **VISTAS (Vel’s Institute Science, Technology & Advanced Studies)**, a Chennai based Prestigious University, Accredited by NAAC with ‘A’ grade and marching beyond 25yrs successfully.
