Letter of Appreciation

To

Dr. ANANDAN.R.,

Professor, Department of Computer Science Engineering,
Vels Institute of Science Technology and Advanced Studies,
India

Dear Dr. ANANDAN

On behalf of the Faculty of Computing, we wanted to express our appreciation to **Dr. ANANDAN** for the lecture on “Derivative Based Optimization Techniques and Derivative Free Optimization Techniques in Soft Computing” on 13th October 2018 through SKYPE. It is the most interesting and informative session, which impacted the participants a knowledgeable in the field of Soft Computing. His vibrant and inspiring elucidation invited the participants to have a long session of rapport in the midst of many new thoughts and continuum. The response of the participants reflected his ideology, devotion, loyalty, Uncompromised knowledge in the field. I personally felt that the participants are longing for your fascinating lecture in the forthcoming days. I take this occasion to share my gratitude and magnitude for spending your expensive time with our students to enable their knowledge in the field of Soft Computing to meet hard challenges. Once again, thank you for making the guest lecture successful, and we appreciate your continued support.

Sincerely

Dr. Srinath Doss,
Head of Department,
Department of Network and Infrastructure Management,
Faculty of Computing,
Botho University, Botswana.
