Dear Dr Kalyana Chakravarthy:

You recently agreed to review the above manuscript, entitled "Study on some durability properties of coconut shell concrete with quarry dust." A previous e-mail was sent to you as a reminder that your review was due but I have yet to receive your review on the manuscript. The authors are naturally anxious about the progress on their paper and it is important that we now complete the reviewing process as quickly as possible. If it is that you find yourself unable to undertake a detailed review, brief comments will still be helpful.

You can automatically access the manuscript and complete your review via the following link:

Please note to log into your account on the European Journal of Environmental and Civil Engineering ScholarOne Manuscripts site at a later date, you can do so at <https://mc.manuscriptcentral.com/tece>. Your case-sensitive User ID is kalyanstructure12@gmail.com, and your password is https://mc.manuscriptcentral.com/tece?URL_MASK=0b6c8c62eaa44b9da5ff67ccc16957ba.

Do not hesitate to contact me if I can be of any assistance.

Sincerely,
Professor Jorge de Brito
