Dear Dr Kalyana Chakravarty:

Thank you for reviewing the above manuscript, entitled "Long term study on some durability properties of coconut shell concrete with quarry dust" for European Journal of Environmental and Civil Engineering.

We greatly appreciate the voluntary contribution that each reviewer gives to the Journal. We hope that we may continue to seek your assistance with the refereeing process for European Journal of Environmental and Civil Engineering, and hope also to receive your own research papers that are appropriate to our aims and scope.

European Journal of Environmental and Civil Engineering reviewers receive a 30% discount on Taylor & Francis books via the link at the below:

www.tandf.co.uk/journals/pdf/books_discount_postcard.pdf

Sincerely,
Professor Jorge de Brito

Editor, European Journal of Environmental and Civil Engineering
