MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) is executed on 19th day of December 2018 in Chennai.

BETWEEN

VELS INSTITUTE OF SCIENCE, TECHNOLOGY & ADVANCED STUDIES (VISTAS),
with its Registrar placed at Velan Nagar, P.V.Vaithiyalingam Road, Pallavaram, Chennai - 600 117, Tamil Nadu, India

AND

ASTS Global Education, RMZ Millenia Business Park,Phase-2, Level-6, Campus 4B, No.143, MGR Main Rd, Perungudi, Chennai, Tamil Nadu 600096 represented by **Mr.Ajoy Ashok, Manager.**

Registrar
Vels Institute of Science, Technology
& Advanced Studies (VISTAS)
Pallavaram, Chennai - 600 117.

M.1 Profile of VELS INSTITUTE OF SCIENCE, TECHNOLOGY AND ADVANCED STUDIES (VISTAS)

VISTAS was established under Section 3 of UGC Act 1956 and by the Ministry of Human Resource Development, Govt. of India, in 2008. VISTAS (popularly known as Vels University) has originated from a self-financing Group of Institutions known as Vels Group of Institutions established in 1992. The Deemed to be University status has been conferred after taking into accounts the rich experience accumulated by the Management and quality maintained in the field of Higher Education.

The University is a multi-disciplinary university offering varied and innovative courses in emerging areas. The University offers 45 Under Graduate, 37 Post Graduate Programmes and 23 Diploma and Certificate Programmes of contemporary relevance.

Department of Petroleum Engineering

The Department of **Petroleum Engineering** is equipped with the best of resources to enrich the ancestry of the department ensuring high quality education to the students. The intense professional of the faculty is the root for the sustained excellence of the department. The state-of-the-art laboratories, the well-balanced curriculum and the faculty with iron-resolve, address the cognitive capacities as well as practical hands on workshop experience of students in fulfilling the ever more pressing needs of the industry. The following courses are offered by the department;

- B.Tech - Petroleum Engineering
- Diploma - Petroleum Engineering
- Doctoral Degree Programme in Petroleum Engineering

M.1.1. Profile of ASTS Global Education

ASTS Global education, an ISO 9001:2008 Certified company, in an organization of international class which provides competent education in realms like Oil & gas, Piping and Structural Engineering design and analysis, Marine / Offshore structural engineering and solar power engineering. International and national accreditations, classes by academic and industrial experts, top-notch laboratories, a super-efficient placement club and lifetime course updating facility makes ASTS global education miles ahead of its peers providing global education.

Registrar

Vels Institute of Science, Technology
& Advanced Studies (VISTAS)
Pallavaram, Chennai - 600 117

Having completed 10 pioneering years in imparting superior knowledge, the great underlying vision now meets a decade of proficient teaching experience. Spreading all over the world and having its base strongly rooted in 4 universal hotspots including India, Dubai, Singapore and USA, this institution is truly international in every sense of the word. In India, ASTS has its branches across 5 cities. ASTS global education maintains its global gene even when it comes to the accreditation of the courses provided. For example, the TUV certified courses provided by ASTS have an unbeatable track record for students getting placed in internationally acclaimed companies effortlessly. Moreover, the educational standards maintained by ASTS becomes self-explanatory when one considers the fact that this institute is an authorized training partner of AVEVA and Bentley.

M.2. Common Interests and agreement

ASTS Global Education and VISTAS after having assessed their strengths, merits and objectives have agreed that they could cooperate and share the expertise and facilities available with both. It is felt that a MOU can be drawn and entered into.

M.3. MOU between ASTS Global Education and VISTAS

The MOU between ASTS Global Education and VISTAS envisages agreed interaction in the following

1. ASTS will offer internship opportunities to the students of the Department of Petroleum Engineering.
2. ASTS will offer an assortment of technical workshops and seminars to provide students the knowledge of current trends of Engineering industries, job search skills and interviewing tips.
3. ASTS will provide the following course for technical enhancement of the students, the course are designed to aid students with latest software's used in Oil and gas service companies
 - Piping and process Engineering
 - Drilling and Production Engineering
 - Structural and Civil Engineering
 - Offshore and Marine Engineering
 - NDT, QA QC and HSE

Registrar

Vels Institute of Science, Technology
& Advanced Studies (VISTAS)
Pallavaram, Chennai - 600 117.

- Marine and Industrial Electrical and Instrumentation engineering
- Sub Sea pipeline Engineering
- Software training

4. ASTS will arrange for industrial visits related to Oil and gas field that will help the students to gain exposure about the industries.

5. All other relevant activities of mutual interest between ASTS Global Education and VELS INSTITUTE OF SCIENCE AND TECHNOLOGY are subject to understanding on a pro rate basis.

A Steering Committee consists of six members (five from VISTAS & one from ASTS Global Education) will subsequently be formed to decide policy formulations for working together. The Steering Committee shall meet at least once in six months to review the progress in the terms contained in this MOU. One of the member from Department of Petroleum Engineering of the Steering Committee, will function as a Convener for the propose of communication and coordination.

All the proposed initiatives will be governed by the regulations evolved by the Steering Committee and the same shall be approved by both the parties. The terms and conditions of the mutual assistance shall be discussed and agreed upon in writing both parties prior to the initiation of any particular programme.

M.4. Duration of MOU

This agreement will be effective upon signing this MOU approval by both parties and remain in effect for three years. Either party may terminate the MOU by giving notice to the other party 30 days notice in writing.

Read, Understood and consented.
