WHEREAS

1. Apex Biotechnology Training and Research Institute is the first exclusive biotechnology Training and placement organization in Chennai, Tamil Nadu, India. The Apex Biotechnology Training and Research Institute was established on 2nd January 2015 by six various biotech ventures namely, AITRI Biotech Private Limited, Enervel Enviro Services Private Limited, Chetti Masala Food and Spice, Jayagen Biologics, Adyar Organic Farm and Mahathi Biotech. The prime focus of the institute is to develop industrial ready work force as well as biotechnological entrepreneurs. Moreover, Apex Biotechnology Training and Research Institute is bridging between academia and biotechnology industries viz., food, agricultural, pharmaceutical, environmental, diagnostic, and many other sectors. Apex Biotechnology Training and Research Institute possess a good number of PhD's and M.Tech's holders as scientific officers and trainers.
2. Vels Institute of Science, Technology and Advanced Studies (VISTAS) was established by VEL's Educational Trust in 1992 with the aim of transforming an individual into a complete man with character and ability committed to national service and development.
3. The University status was conferred to Vels Group of Institutions, by the Ministry of Human Resource Development, Govt. of India. As a logical consequence of this, the founder Chairman Dr. Ishari K. Ganesh has become the President/Chancellor and now he leads the implementation of a strategic plan that aims to shape the institute's future growth. He visualizes a University which will be globally more competitive and internationally recognized institution.
4. The Institution is governed by Governing Board or otherwise known as Board of Management and this is the highest statutory body of this University to frame policies and programs for the growth and improvement of VISTAS. The members of this Board are drawn from various agencies. The Board has members representing University Grants Commission, Govt. of India, and Industry, Eminent persons outside Academia, Senior Academic persons and senior officials of the University.

Both Apex Biotechnology and VISTAS (Hereinafter referred to as "Parties"), desire to cooperate with each other and the mutually agreed proposal, which underlines the broad understanding between the parties.
