WHEREAS

1. Acme ProGen Biotech is a Private Limited company founded in 2007. The ProGen Biotech is located in Salem, a city in the North-west of Tamil Nadu, India. Acme ProGen is developing and commercializing all kinds of ready-to-use biological teaching and research kits that simplifies and improves the quality research in the life science field. In addition, ProGen supplies instruments/equipments to support life sciences researches. A series of complementary products manufactured by our company and others companies round off the product range. ProGen distributes a highest quality product of biochemicals which are useful to life science researchers in life sciences.
2. Vels Institute of Science, Technology and Advanced Studies (VISTAS) were established by VEL's Educational Trust in 1992 with the aim of transforming an individual into a complete man with character and ability committed to national service and development.
3. The University status was conferred to Vel's Group of Institutions, by the Ministry of Human Resource Development, Govt. of India. As a logical consequence of this, the founder Chairman Dr. Ishari K. Ganesh has become the President/Chancellor and now he leads the implementation of a strategic plan that aims to shape the institute's future growth. He visualizes a University which will be globally more competitive and internationally recognized institution.
4. The Institution is governed by Governing Board or otherwise known as Board of Management and this is the highest statutory body of this University to frame policies and programs for the growth and improvement of VISTAS. The members of this Board are drawn from various agencies. The Board has members representing University Grants Commission, Govt. of India, and Industry, Eminent persons outside Academia, Senior Academic persons and senior officials of the University.

Both Acme Progen Biotech and VISTAS (Hereinafter referred to as "Parties"), desire to cooperate with each other and the mutually agreed proposal, which underlines the broad understanding between the parties.
