**C. Exchange of Faculty**

The parties will explore opportunities for their respective faculty members and administrators to be in residence at the other institution for purpose of lecturing, conducting research, and developing their academic or administrative skills. These programs, to the greatest extent possible, will provide commensurate opportunities for the faculty and administrators of both institutions. Both institutions pledge to provide the fullest support possible to faculty and administrators coming from the other institution in the furtherance of the interests of each faculty members of administrator.

**D. Collaborative Programs**

Collaborative programs, seminars and research activities will be encouraged and supported where the mutual interests and expertise of both institutions may be furthered. Faculty and program directors at both institutions should be encouraged to enter into contract with one another in order to further this objective.

**E. Cooperation for Development of Resource**

The two institutions will explore avenues to develop financial resources to support educational activities sponsored under this Agreement, including joint grant proposals.

In each of the above mentioned areas of cooperation and any other areas in which the two institutions wish to cooperate, detailed arrangements can be developed through separate memoranda of understanding, exchange of letters, appendices or other written agreements, all of which must be signed in writing by both parties to be effective.

**F. Joint Educational Programs**

Joint consultancy programmes on drugs related to anti diabetic activity and biological related other activities can be conducted.

All the proposed initiatives will be governed by the regulations evolved by both the organizations under the "The University/ Company Partnership". These terms and conditions of the mutual assistance shall be discussed and agreed upon in writing by both parties to the initiation of any particular programme.
