INTRODUCTION

In partnership with REVATURE, VELS UNIVERSITY could be the early adapter in India to offer a comprehensive pathway for its students into software development, irrespective of their major,

Revature will provide an on ground and online project for qualified and selected students of University through RevaturePRO platform.

This MOU is valid for the pilot period of one year. RevaturePRO is our award winning workforce development platform featuring perfect combination of on ground and online boot camp, which is managed, monitored and mentored, where University students attain actual job-based skills that will help advance their IT careers.

II. ELIGIBILITY CRITERIA

Eligible and accepted students of University will be eligible to participate in the program.

III. RESPONSIBILITIES OF REVATURE

- A. Access to RevaturePro online programs
- B. Each student will be assigned a mentor who will monitor and guide the student to successfully completion of the project.
- C. On-campus bootcamp for students
- D. Dedicated industry professional trainers for the on-ground bootcamp
- E. Certified e-Portfolios to showcase projects and equivalency ratings
- F. Full management and operational support
- G. Dedicated campus ambassadors
- H. Revature will assign project work and required artifacts to each student.

Each student will have access to technical videos, learning, reference
