## PREAMBLE

This Memorandum of Understanding (MoU) made on **August 20, 2014** between:

**VISTAS (hereinafter referred as VELS University)**, Velan Nagar, P. V. Vaidhyalingam Road, Pallavaram located in Chennai -600 117, which expression shall, unless repugnant to the context, include its successors and assigns; and at present represented by Registrar of the one part

and

**AROBOT 48, First Floor, Vellalar Street** Adambakkam, Chennai - 600 068 represented by CEO, hereinafter referred to **"AROBOT"** (which expression shall unless excluded by or repugnant to the context be deemed to include his successor in office or assign) of the other part

AROBOT is a leader in robotics education in India, providing quality training programs at major Indian Technical Institutes in the fields of robotics, embedded systems, artificial intelligence, machine vision,

## SCOPE OF WORK

**School of Engineering, VELS University** has been chosen amongst the very few engineering Institutes in India for a rare opportunity of setting up of Center for Robotics and Automation Excellence by **AROBOT**.

For successfully establishing Center for Robotics and Automation Excellence in the VELS campus, **AROBOT** will provide all support in terms of imparting high end technical education in these areas, individually or in interdisciplinary form in the area of robotics, artificial intelligence, embedded systems technology and machine vision at **VELS University**

It is hereby agreed and declared that **AROBOT** will do all necessary things for setting up **Center for Robotics & Automation Excellence** and providing academic support covering training programme, lab setup, projects, internships, seminars and research at **VELS University**

*Handwritten signature*

## TERMS AND CONDITIONS

- Center for Robotics and Automation Excellence will be set-up only in some of the top upcoming engineering institutions of India and the **VELS University** would be one of them.
- **VELS University** shall offer only a lab space (minimum area of 500sq.ft), Training Room with minimum 25 computers and when required.
- **VELS University** shall set-up the required devices, kits, equipment's, tools, software with licenses to make it a functional training and research center.
- AROBOT shall provide Technical support to **VELS University** in the field of Robotics and Automation. AROBOT will extend support to Department of CSE, **VELS University** in facilitating Joint R&D Project Development and Facilitation, promote R&D interaction as intensely as possible, in-plant training for students and staff members, guest lectures and seminars, academic projects for students in real time, Career guidance and counseling, Consultancy and Architecting Services. Setting Up Robotics, Embedded Systems, Industrial Automation, GII Language, R & D Labs for Product Development and Consulting Services shall also be provided by AROBOT.
- AROBOT shall offer 2 workshops & 1 Long term program per Semester.
- The Course / Workshop Content are widely based on the topics of: Robotics, embedded systems and machine vision.
- **VELS University** may use the name and logo of AROBOT only to show that it is a Center of Robotics & Automation Partner.
- It has been agreed by the Parties that neither Party will conduct publicity or give advertisements containing other logo (unless specified and approved in writing in advance by the Party). Neither Party shall advertise or publish or refer any material/publicity etc.
- Each party acknowledges the importance of other party's brand name and agrees to conduct in a responsible manner to ensure Party brand name and reputation.
- AROBOT will further assist **VELS University** in identification of application areas, obtaining projects (including funded and R&D based), and their execution, thereby making the facility as a few of its kinds in the nation.
- AROBOT will ensure information secrecy and security in its network to all facilities and services as recommended by **VELS University** from time to time.

*Ally Singh*

*B.K.A.*

- The discontinuance of Center for Robotics & Automation Excellence facility by any party would terminate this MoU.
- This MoU is Valid for one year, any party at any given time shall request the termination of this MoU by issuing a notice to the other two parties. However, the on-going programme if any has to be completed.
- This MoU has no financial implication on either side.
- VELS University will bear the expenditure towards the Training Charges, Guest Lecture Payment, Transportation, Accommodation & other related expenditures.
- On all aspects where the above articles of understanding are silent, or for special cases of deviation from these articles, the decision mutually agreed between the parties will be final. However, in case of any dispute relating to or arising out of MoU, such dispute will be resolved amicably by mutual consultations.

IN WITNESS WHEREOF the parties have executed in duplicate on the day and year, before mentioned.

**VELS INSTITUTE OF SCIENCE, TECHNOLOGY AND ADVANCED STUDIES (VISTAS)**

Deemed to be University Enactment of The UGC Act, 1956

**School of Engineering**

**Letter of Intent/Approval**

(To Ganymede Solutions for Implementation of Google Apps for Education)

VELS University established in the year 1997 provides quality education to students in domain like Engineering, Arts and Science, Management Studies, etc.

We would like to have Google Apps for Education implemented in our Institution through Ganymede Solutions.

We assure full support in successful implementation and usage post implementation.

This institution is managed by Vels Institute of Science, Technology and Advanced Studies Trust which is a non-profit organization.
