About VELLS UNIVERSITY:

VELLS INSTITUTE OF SCIENCE, TECHNOLOGY AND ADVANCED STUDIES (VISTAS) established under section 3 of UGC act 1956, by the Minister of Human Resource Development, Govt. of India, in 2008. VISTAS (popularly known as Vells University) has originated from a self-financing Group of Institutions established in 1992. The University status has been conferred by UGC after taking into accounts the rich experience accumulated by the Management and quality maintained in the field of Higher education.

The University is a multi-disciplinary university offering varied and innovative course in emerging areas. The University offered 49 under graduate, 42 post graduate programmes and 22 Diploma and Certificate Programmes of contemporary relevance.

About MOHINA ECOSOLUTIONS:

It is a Private limited company incorporated under the Companies Registration Act 2013 in the year of 2016. The company is located in Chennai and the prime focus of the company is to develop eco-friendly technologies especially production of bio-gas from vegetable waste and animal waste - a waste to wealth strategy.

Whereas the university and the company have entered into this agreement to their mutual intentions and are aiming to evolve cooperation between the two entities to develop and promote teaching, on the job training and research and the details are realized into MoU for the future reference.

SCOPE OF THE MOU

A. Exchange of Information

The two institutions will work to develop agreements or programs for exchanging academic, research and other educational materials.

B. Exchange of Students

The parties will work to develop agreements and programs for exchanging students between the two institutions, either on the basis of reciprocal exchange of benefits or through fees set for the participation in the specific programs. Such programs shall be conducted so as to encourage

active participation and to ensure reciprocity while minimizing the cost of participation for students from both institutions.

C. Exchange of Faculty

The parties will explore opportunities for their respective faculty members and administrators to be in residence at the other institution for purpose of lecturing, conducting research, and developing their academic or administrative skills. These programs, to the greatest extent possible, will provide statements opportunities for the faculty and administrators of both institutions. Both institutions pledge to provide the fullest support possible to faculty and administrators coming from the other institution in the furtherance of the interests of each faculty member or administrator.

D. Collaborative Programs

Collaborative programs, seminars and research activities will be encouraged and supported where the mutual interests and expertise of both institutions may be furthered. Faculty and program directors at both institutions should be encouraged to enter into contracts with one another in order to further this objective.

E. Cooperation for Development of Resources

The two institutions will explore avenues to develop financial resources to support educational activities sponsored under this Agreement, including joint grant proposals.

In each of the above mentioned areas of cooperation and any other area in which the two institutions wish to cooperate, detailed arrangements can be developed through separate memoranda of understanding, exchange of letters, appendices or other written agreements, all of which must be signed in writing by both parties to be effective.

F. JOINT EDUCATIONAL PROGRAMS

Joint educational programs or Diploma in two courses on Psychochemistry, Biotechnology and environmental monitoring can be conducted.

All the proposed initiatives will be governed by the regulations evolved by both the organizations under the "The University/Company Partnership". These terms and conditions of the mutual initiatives shall be discussed and agreed upon in writing by both parties in the initiation of any particular programs.
