WHEREAS

1 Vital Bio Systems is one of India's fast growing Medical Technology Companies specializing in Distribution - Marketing, Sale and Support - of Critical Care, Diagnostic & Niche equipment, providing cost effective and high-quality products. Since inception, Vital has built a solid reputation of being Service Oriented and a major portion of the business is generated from satisfied customers. Vital, was established in 1991 as a manufacturing unit (registered SSI) to manufacture high quality infusion pumps suitable to the Indian market. Since then, Vital has sold infusion systems to many Hospitals across India and abroad. Vital has developed Pulse Oximeters, NIBP Monitors & Modular/Tele – Patient Monitors. Vital was also involved in the point of care diagnostic segment, assembling devices from Ciba-Corning Diagnostic (Chiron Diagnostic/Bayer) for Blood Gas & Electrolyte Analyzers. The company is currently focusing on distribution of high quality products from internationally acclaimed brands.

2 Vels Institute of Science, Technology and Advanced Studies (VISTAS) was established by VEL's Educational Trust with the aim of transforming an individual into a complete man with character and ability committed to national service and development.

3 The University status was conferred to Vel's Group of Institutions, by the Ministry of Human Resource Development, Govt. of India in 2008. As a logical consequence of this, the founder Chairman Dr.Ishari K.Ganesh has become the President/Chancellor and now he leads the implementation of strategic plan that aims to shape the institute's future growth. He visualizes an University which will be globally more competitive and internationally recognized institution.
