**M.1.1. Profile of VELS INSTITUTE OF SCIENCE, TECHNOLOGY
& ADVANCED STUDIES (VISTAS)**

VELS INSTITUTE OF SCIENCE, TECHNOLOGY AND ADVANCED STUDIES (VISTAS) established under Section 3 of UGC Act 1956, by the Ministry of Human Resource Development, Govt. of India, in 2008. VISTAS (popularly known as Vels University) have originated from a self financing Group of Institutions known as Vels Group of Institutions established in 1992. The University status has been conferred by UGC after taking into accounts the rich experience accumulated by the Management and quality maintained in the field of Higher Education.

The University is a multi-disciplinary university offering varied and innovative courses in emerging areas. The University offers 49 Under Graduate, 45 Post Graduate Programmes and 23 Diploma and Certificate Programmes of contemporary relevance.

DEPARTMENT OF AUTOMOBILE ENGINEERING

The Department of **Automobile Engineering** is equipped with the best of resources to enrich the ancestry of the department ensuring high quality education to the students. The intense professional will of the faculty is the root for the sustained excellence of the department. The state-of-the-art laboratories, the well-balanced curriculum and the faculty with iron-resolve, address the cognitive capacities as well as practical hands on workshop experience of students in fulfilling the ever more pressing needs of the industry.

- B.E. - Automobile Engineering
- M.E. - Automobile Engineering

M.1.2. Profile of ALTUS CADD TECH

ALTUS CADD TECH is leading CAD/CAM/CAE/ CFD Design Software Solutions and Training Provider firm operating from Chennai, India aims at providing best solution and training with unique combination of domain expertise, cutting edge software tools and application knowledge. ALTUS CADD TECH imparts training to Automobile Engineers, Civil Engineers, Mechanical Engineers and Electrical Engineers in various Design software such as AutoCAD, ArchiCAD, STAAD.Pro, ETABS, ANSYS, ProE/CREO, CATIA, Solid Works, UG Nx, Hypermesh, 3DS Max, AutoCAD Electrical, AutoCAD Civil, REVIT, HVAC, Primavera Project Planner, etc.

SS

ALTUS CADD TECH is intended to impart knowledge and skills on various design software to the fresh and young Engineering and Diploma graduates and prepare them for the competitive job market as required by the engineering design industry. Our training courses focus on project based productivity enhancement skills to employ the immediate trained engineers and architects to meet the demanding requirement of the engineering industry. Our faculty base has been trained on the latest industry modules/versions to equip all the participants so that they stand tall amidst the challenges in the industry.

M.2. Common Interests and Agreement

ALTUS CADD TECH and VISTAS, after having assessed their strengths, merits and objectives have agreed that they could cooperate and share the expertise and facilities available with both. It is felt that a MOU can be drawn and entered into.

Based on the experience of past interactions between ALTUS CADD TECH and VISTAS, specific areas have been identified.

M.3. MOU between ALTUS CADD TECH and VELS University

The MOU between ALTUS CADD TECH and VISTAS envisages agreed interaction in the following.

1. To envelope specialized training programmes and courses to be offered in a collaborative manner.
2. Extending the expertise of the faculty / Engineers of both the institutions in the common academic endeavors.
3. Sharing the expertise, laboratory and the instrumental facilities of both the institutions for common programmes without affecting the regular activities of the respective institutions.
4. To offer Project support to students.

Registrar
Vels Institute of Science, Technology
& Advanced Studies (VISTAS)
White Nagar, P.V. Velayudhalingam Road,
Chennai - 600 117.

5. Exchanging of any other facilities mutually acceptable to both in view of curriculum development.
6. Placement assistance and consultancy work.

A Steering Committee consists of Five members (Three from the Department of Automobile Engineering, VISTAS & Two from ALTUS CADD TECH) will subsequently be formed to decide policy formulations for working together. The Steering Committee shall meet at least once in six months to review the progress in the terms contained in this MOU. One of the members from Department of Automobile Engineering of the Steering Committee will function as a Secretary for the purpose of communication and coordination.

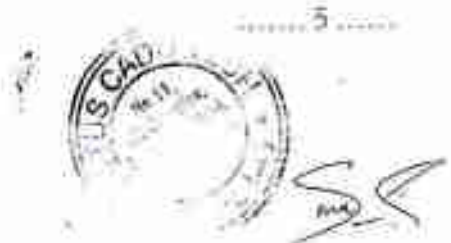

All the proposed initiatives will be governed by the regulations evolved by the Steering Committee and the same shall be approved by VISTAS & ALTUS CADD TECH. The terms and conditions of the mutual assistance shall be discussed and agreed upon in writing both parties prior to the initiation of any particular programme.

M.4. Duration of MOU

This agreement will be effective upon signing this MOU approval by both parties and remain in effect for three years. As long as one party does not give three months termination notice to this agreement, it shall automatically be renewed. Either party may terminate the MOU by giving to the other party 30 days notice in writing.

Read, Understood and consented.
