For MEDOX Biotech India Pvt. Ltd.

Managing Director

I. Purpose of the Agreement

VISTAS and Medox Biotech India Pvt. Ltd. jointly agree to subscribe to a relationship in order to promote the following activities between the two parties. The parties collaborate, cooperate and interact to achieve the following scopes of this MoU.

1. The Parties intend to pursue collaboration on fundamental, academic research, related to Biotechnological applications.
 - 1.1. Research works under Molecular Biological and Genetic Engineering techniques like Isolation of plasmid DNA, genomic DNA and RNA, Electrophoresis and restriction digestion of DNA, Phage titration, Preparation of plasmid DNA and Elution of DNA from agarose gels, hands-on experiments in performing basic recombinant DNA techniques, Isolation of antibodies, Purification of antibodies and Immunoelectrophoresis.
 - 1.2. Development of diagnostic kits in the field of Microbiology and Immunology.
2. Both parties exchange the technical expertise such as experimental procedures, instrumental knowledge and development of new protocols in Fields.
3. Both parties agree to exchange the expertise of their working staff under mutual convenience when requested by either Party. For example, Medox Biotech India Pvt. Ltd., can request to utilize the expertise of VISTAS faculty for their technical events. However, exchange of faculties or scientist to be done under mutual convenience of the Parties when such exchanges doesn't affect the normal functioning of the Parties. During Conferences, Seminars, Symposia and Workshops organized by either Party, above mentioned exchange of faculty may avail with mutual concerns.
4. Both the parties agree to utilize their Laboratory Instrument facilities without any payments when such utilizations don't affect the normal functioning of the other.

II. Legal Framework

The Registrar of VISTAS and the Managing Director of Medox Biotech India Pvt. Ltd. may, in accordance with their respective policies and procedures, initiate agreements to enhance joint development of students by offering students of VISTAS a chance to work on real world projects under the guidance of Medox Biotech India Pvt. Ltd.

Dear Sir/Madam,
Sub.: Consultancy work - Reg.

Warm Greetings!

We Armats Biotek Lab a world class Biotech state- of-the-art Research Facility and had justifiably earned its reputation as unique establishment in the field of Biological Sciences. We are working in many biological aspects except in Environmental filed; it will be good enough if you can work in **Biosorption of heavy metals in textile effluents**. Send me a proposal with the experts in this field in your department and the duration of the project will be two months.

Thank you

Regards
