## Policy Document on Disabled Friendly Environment

VISTAS considers it as a pride to uplift the differently abled personalities in our society. We have developed a unique policy to make the campus disabled friendly, and to take every possible measure to provide a barrier free environment to the Divyangjan. Policy on Disabled Friendly Environment is listed below:-

- Not to discriminate any differently disabled person within the institutional campus.
- To provide all possible assistance to perform their activities as equally as a normal person.
- The staff members should provide high priority to the differently abled persons to fulfill their requirements without making them to wait
- To incorporate screen reading software plugins in the institutional website to facilitate the usage of it by the visually challenged persons.
- To provide scribes/ human assistance for differently abled students on request to write the examinations.
- To provide wheelchairs to move inside the buildings and battery operated vehicles to move in between the buildings.
- To provide additional ramps, lifts and specially designed toilets to ease the mobility and comfort of the Divyangjan
- To provide special vehicle parking lots for the differently abled persons to park their vehicles as closely to the buildings as possible.
